Marshall's ATA is Moving to a New Address on May 15th

Mr. Marshall held a brief Parents Information Meeting on Saturday May 2nd at 12:15pm. During the meeting I informed and explained to the parents & students present that Marshall's ATA will be moving out of this facility and moving to a location more suitable to the needs of our school. We conducted our final class at our current Unicorn Lake address 2900 Wind River Ln on Thursday, May 14th, 2015. During the next two weeks leading up to May 14th, we actively packed up our school for our transition to our new location. Our new school is located on the 288 Loop and is only 2.3 miles or 8 minutes from our current location. I'm quite sure that our students & families are probably already very familiar with the location of our new

school. We are neighbors of Target, Home Depot, Walmart and across the street from the L A Fitness Health Club just 2.3 miles headed east on the 288 Loop & only three quarters of a mile from the Med Park Train station. We were blessed to be at our former facility since 2010. However, we are even more ecstatic about the NEW home of Marshall's ATA and we think that you will be too. We are moving expeditiously to make our new facility into a place that we can all be proud to call our own home school in the ATA. During this exciting time of transition we are asking for your patience and indulgence as we endeavor to make this move as seamless as possible. **We were closed on the weekend following the move on Saturday, May 16th** in order to ensure that we were ready to begin our new journey with YOU at our new location:

Marshall's ATA Martial

Arts 1800 Brinker Rd, Suite 200 Denton, TX. 76208. We would really appreciate your assistance with helping us with this undertaking. If you would like to volunteer your talent or time, we could use some extra help. We need extra hands to pack & perhaps some vehicles to transport boxes to the new school. We will soon be painting the walls in the new school so if there are any talented painters who would like to volunteer to join us... Thank you all so very much for your show of support. Please feel free to bring any questions or concerns to my attention.
