Marshall's ATA Summer of 2012

Marshall's ATA Summer of 2012 As the Summer of 2012 winds down and comes to an end, I would like to say a word of thanks to the families and students of Marshall's ATA for attending and supporting the many Camps, Testings, Demos, Picnics, In-School Tournaments, Belt Testings, Board Break & Weapons Clinics, Songahm ATA World Championships, Regional Tournaments in Mesquite and Allen and just regularly scheduled classes. We started off the Summer with the Sparring/Fitness Camp & then the Rank Advancement Camp. We went to World Championships in Littlerock, Ar and came back to the Weapons Camp. We had our annual

Picnic at Waterworks Park in Denton and our Demo at the Cowboys Stadium in Arlington, TX. We had our In-School tournament and some of us participated in the Dallas Duel Regional tournament in Mesquite, TX and the annual Texas Twister Tournament at the Allen Events Center in Allen, TX. We conducted our Back-to-School Belt Testing and we'll cap off the summer of 2012 with a Combat Bahng Mahng Ee clinic in Rockwall, TX conducted by Chief Master Robert Allemier, who is an 8th Degree Black Belt, a member of the Masters Council and is the highest ranking American Born member of the American Taekwondo Association.

Many martial arts schools dread summers because they have a drop off in the numbers of students training. Summers at Marshall's ATA are traditionally one of the most active and busiest times of the year because many students take advantage of the opportunity to accelerate their rank at Rank Advancement Camp or improve their weapons skills at Weapons Camp. We usually offer a signup sheet for enrollment in the Summer Camps starting in January and they are extremely popular with the students who signup early because they are offered at an early bird discount. The Camps are larger every year due to our 'Regulars'. It's been a 'Cool Summer.' Thank you.

Protocol for Testing

Students must be on a program in order to be eligible to test. Students must wear their traditional white uniform. Any student who is at the testing but not participating is still expected to be wearing their complete uniform. Leadership students are expected to assist in whatever capacity necessary.

Congratulations: to Mr. Will Lamb, Hunter Lamb, Dylan Lamb & Parker Greaber, on their Successful testing for their 1st Degree Black Belt Decided at the August/Back-to-School Belt Testing.

Congratulations: Vanessa Bristow, Desiree Gonzales & Victoria Lamb on their successful midterm at the Aug/Back-to-School Testing. With hard work & dedication, they may very well be testing for their 1st Degree Black Belt Decided at the October (Fall) or December (Winter/Christmas) Belt Testing.

A Word of Thanks to My Leadership Staff

I would like to take this space and opportunity to say 'Thank You' to my Leadership Staff for stepping up and being so generous with their time and talent to conduct classes while Mrs. Marshall and I were away from the school in Montana during the days leading up to the Labor Day holiday.

Dr. Charles (Chuck) Kurtz
Mr. Michael Kaiser

Mrs. Sandra Arcuri
Mrs. Victoria Lamb.

Since we take so little time off during the summer months, we consider it a very special privilege and a blessing to be able to leave the school in capable, skilled and trusted hands while we take a few days to recharge our batteries and visit with our son who is so far, far away in college on the frontier in Montana.
